BRIBERY HUNT IN DELAWARE. LAFE YOUNG A BUILDER. Attorney-General Thinks the Lightning Hopes to Accomplish a Little While in Will Hit Some Hig Men.

Notwithstanding the size of Delaware there has been a lot of noise coming of Des Moines, more a newspaper man out of it since election because of tales according to his own view than a United of election bribery. Andrew C. Gray, States Senator, but still a Senator, and Attorney-General of the State, who glad of the privilege of representing arrived at the Wolcott yesterday, says even for a few weeks the State of Iowa that he intends to run these stories to in the upper house at Washington, is in earth and is confident he will soon have Chicago to-day. enough evidence to convict a lot of But Mr. Young hopes to be a Senator

prominent citizens. said Mr. Gray yesterday, and it has although he is not too confident the Legistwenty detectives at work under my lature of his State, which meets in January

direction. Besides a good sized number of volunteers are investigating.

"We expect to have before Christmas enough evidence to send to jail fifteen or twenty prominent citizens. Notwithstanding reports that have got out, the purchasable vote of Delaware is not proportionately large. A total of less than 15,000 votes, white and black, Democratic and Republican, elects more than comment on his activity except to criticratic and Republican, elects more than comment on his activity except to critia majority of the Delaware Legislature. gaged in the work. The scope of the These votes are in the two lower counties Wisdom in this narrowing down the issue.
